## **CHAPTER-III**

### **Examination Rules**

#### **31. Preamble:**

The successful conduct of MBB University examinations depends greatly on the integrity, alertness and sincerity of all examination officials. These guidelines aim to set out uniform codes of conduct for each official engaged in connection with examinations to be held at various affiliated colleges and post graduate Departments of MBB University. It is, therefore, necessary that each one of these persons should follow the rules and guidelines strictly.

#### **32. Examination Centre:**

- (1) Each Department of the University shall normally be selected a Centre/Venue for Post-Graduate examinations for students of that department.
- (2) Each affiliated College to this University shall be the Centre/Venue for students appearing at the Under-Graduate Examinations.
- (3) However, under extraordinary situations, the Controller of Examinations may, with approval of competent authority, decide to change the centre/venue and in such an event the decision of the Controller of Examinations regarding selection of centres/venues shall be final.

#### **33. Controller of Examinations:**

The Controller of Examinations shall have the following powers, duties and functions, unless otherwise assigned by the Vice-Chancellor. He shall:

- (1) issue appointment letters to paper setters, moderators, examiners, head examiners, scrutinizers;
- (2) prepare blank answer scripts and additional sheets and sending the same to the examination venue for the use of the candidates for an examination;
- (3) arrange for printing of all question papers (excluding Internal Assessment for continuous evaluation) and sending the same to the examination venue in sealed envelopes for end-semester examinations;
- (4) arrange for the preparation of application forms for admission to the examinations and distributing the same to the candidates against payment of such fees as prescribed by the University from time to time;
- (5) issue notification related to issuance and submission of examination forms and fees for examinations and detailed schedule of examinations;
- (6) arrange for receipt of application forms and fees from the candidates, issue admit cards to the eligible candidates;
- (7) make such other arrangements as may be required for smooth conduct of examinations;
- (8) arrange to examine, scrutinise the marks, compile the marks received from examiners in case of post graduate examinations and from Head Examiners in case of under graduate examinations;
- (9) issue mark sheets to the candidates after publication of results of various examinations;
- (10) arrange for re-evaluation/review of answer scripts and issuance of revised mark sheets;
- (11) prepare Degree Certificates for endorsement by the Syndicate and to prepare Merit Certificates for issuance during University Convocation;

- (12) issue such other Certificates (Academic Transcripts, Provisional Certificate etc.) as may be required from time to time to the candidates against requisite fees;
- (13) make arrangement for payment of remuneration and T.A. /D.A. to the Paper Setters, Moderators, Examiners, Head Examiners, Scrutinisers and External Members engaged in examinations related activities of various Examination Committees etc. through Finance Officer; and,
- (14) discharge such other duties as assigned by the Vice-Chancellor related to examinations.

### **34. Examination Officers and their duties:**

Any duty related to examinations is binding for Teachers/other Academic staff/Officers/Non-teaching staff.

- (1) **Functions of the Custodian of Confidential papers:**  
The Controller of Examinations, or any other official/teacher appointed by the Controller of Examinations, shall be the custodian of confidential papers relating to university examinations. The custodian shall keep the confidential papers in safe custody. The custodian shall hand over question papers on relevant subject(s) on such date prior to the examination as the Controller of Examinations deems fit to the Centre-In-Charge through his authorized representative before the commencement of the respective examinations.
- (2) **Functions of the Centre-In-Charge:**  
The Head of the Department of a Post Graduate Department of the University will be the Centre-in-Charge for conducting examinations in the Department concerned. In his/her absence, the next senior most Faculty member of the Department will act as Centre-in-Charge of the concerned Department. In case of affiliated colleges, the Principal /a senior teacher of the College as recommended by the Principal will act as Centre-in-Charge and Custodian of the concerned centre in the specified examination. The Centre-in-Charge of an examination centre shall make all preparatory arrangements for holding examinations, including seating arrangements for candidates. He/ She shall conduct the examinations under the supervision of the Head of the Department/the Principal, as the case may be, according to the instructions given by the Controller of Examinations of the University from time to time in this regard. He/ She will have to take all necessary measures for the smooth conduct and fairness of examinations at a centre. In the absence of the Centre-in-Charge, the Head of the Department/the Principal or his/her authorized representative shall perform the functions of the Centre-in-Charge with intimation to the Controller of Examinations.
- (3) **Programme of Examinations:**  
Detailed programme of various examinations, prepared by the Controller of Examinations, should be published at least three weeks before the commencement of an examination. The programme should be displayed at the examination centres before the commencement of the examination and it should remain there till the completion of the examination.
- (4) **Invigilators:**  
The teachers/Academic staff members of the Department, recommended by the Head of the Department/Principal and Centre-In-Charge shall perform duties as invigilators in different halls/rooms of the concerned centre in the specified examination. The Duty Roster of the invigilators must be maintained by the Head

of the Department/Principal and Centre-In-Charge. The same along with day-wise signatures of the invigilators must be sent to the Controller of Examinations.

### **35. Duties of the Invigilators:**

- (1) The sanctity of the examination depends greatly on the conduct of an invigilator. Any laxity on the part of an invigilator is likely to result in undesirable consequences affecting the reputation of the University.
- (2) An invigilator is expected to be alert at every moment beginning from the entry of the candidates till such time that all answer scripts are collected from them.
- (3) An invigilator should not leave the Examination Centre without the permission of the Centre-in-Charge.
- (4) An invigilator should report at the centre at least half-an-hour before the time fixed for commencement of the examination.
- (5) An invigilator may be required to act as witness when desired by the Centre-in-Charge for opening of the sealed question paper packets and sealing of the packets of answer scripts.
- (6) It shall be the duty of the invigilators to guard against all kinds of malpractices or misconduct on the part of any candidate at the Hall/Centre. He/ She will report such malpractice or misconduct to the Centre-in-Charge/Head of the Department/Principal and render such assistance to the Centre-in-Charge/Head of the Department/Principal as required, in regard to the conduct of the examination.

### **36. Functions of the Invigilators:**

The Invigilators shall perform the following functions during invigilation:

- (1) distribute among the examinees the Answer-books and Question papers;

However, prior permission must be taken from the Controller of Examinations. Application for such permission must be forwarded and recommended by the Principal/Principal-in-Charge of the College from which the candidate has been appearing in the examination. In case of Post-Graduate examinations, such applications must be forwarded and recommended by the concerned Head of the Department.

- (4) A candidate who has disability of forty per cent (40%) or more may be allowed compensatory time of twenty minutes per hour of examination. As such a candidate may be given the following time:
    - Forty (40) minutes for examination of two hour duration;
    - Sixty (60) minutes for examination of three hour duration.
  - (5) Educational qualification of the scribe /reader/Laboratory Assistant should not be more than the examination in which the candidate has been appearing. Qualifications of the scribe/reader/ Laboratory Assistant must be mentioned in the application of the candidate concerned.
53. The eligibility of a student to appear at any of the examinations listed above will be declared by the Controller of Examinations on the basis of the statement of eligibility by respective Head of the Department of a Post Graduate Department of the University/Principal/Principal-in-Charge of an affiliated College, as the case may be, submitted to the Controller of Examinations at least fifteen (15) days before the dissolution of the respective semester classes.
54. Application for admission to University Examinations (for regular and Special Supplementary) shall be made by the candidates in the prescribed form and must be accompanied by the prescribed fee to be submitted as per the notification issued in this regard.
55. No student shall be admitted to any examination of the University unless he/she has paid the prescribed fee and / or applied for the examination, by the date specified by the Controller of Examinations. A student may, however, submit the examination fee with the prescribed additional fee for late submission after expiry of the specific date, as decided by the Controller of Examinations. The Controller of Examinations may, however, extend the period of grace at his discretion.
56. Students who having failed to pass any semester after the publication of results for the sixth semester examination for the Bachelor's degree and after the publication of results for the fourth semester examination for the Master's degree examination and publication of results for the second semester examination for B. Lib. I. Sc. examination are detained. Such candidates desirous of continuing their studies in the University are to apply to the Registrar for re-admission for enrolment as casual student in the same class in which they had studied last within thirty (30) days of the publication of the result of the relevant examinations. The Registrar shall obtain the opinion of the Head of the post graduate Department/Principal of the affiliated colleges as the case may be. No student having any outstanding dues shall be eligible for re-admission. No application for re-admission or enrolment as casual student shall be entertained unless the outstanding dues have been paid. The re-admission of a student who has failed to qualify to sit for an examination will depend on the merit of his/her case.  
  
[NOTE: \*A differently-abled student will be exempted to pay the examination fee provided he/she has certificate of PH with specified disability from the competent authority.]
57. (1) In case of change of syllabus/courses of study, a student who fails to pass in any examination in any programme and wishes to appear at any subsequent examination as a casual student shall be permitted to appear for the next two consecutive years only in the same old course and syllabus in which he failed to pass.

- (2) All such students will have to pay the prescribed casual student's fee and shall have to apply to the Controller of Examinations in prescribed form stating the papers/courses they want to appear in.
- 58.** (1) Before the results of any University Examinations are drawn-up, answer scripts of all courses/ papers shall be scrutinized by scrutinizer/s under the supervision of the Controller of Examinations.
- (2) There will be re-evaluation/review of answer papers (except Sessionals, Practical, Internal Assessment and Special Supplementary Paper(s)) which, however, will be on payment of the prescribed fee for each paper/course and surrender of original mark sheet. The Rules for Review includes the following:
- (i) The application for re-evaluation/review should be made in the prescribed form and it should contain specifically the name(s) of the paper(s)/course(s) for re-evaluation/review.
  - (ii) The work of re-evaluation/review would include fresh marks awarded to each answer in the answer book and re-totaling of the marks. The marks obtained in the re-evaluation/review will be final for the paper(s)/course(s) even in case of decrease of marks originally awarded. If however the difference of marks after review is greater or less than fifteen percent (15%) of total marks of the courses/papers concerned, the script will be sent for reassessment by a Third Examiner, with a formal approval of Vice Chancellor. In such case, the average of two closest marks, awarded by the Examiners will be the final marks.
  - (iii) Neither the candidate nor any one of his/her behalf would be entitled to be present during the process of re-evaluation/review. They would have the right to see the answer paper(s) only after submitting an application in prescribed format within one month of publication of the review result.
  - (iv) The re-evaluation/review would be arranged by the Controller of Examinations.
  - (v) The result of the re-evaluation/review should be intimated to the candidate concerned through Notice Board.
  - (vi) In case any change is detected during the process of re-evaluation/review [as per paragraph (iii) above] and in such cases, revised mark sheet will be issued after publication of revised results.
- 59.** No printed formal certificate will be issued by the University on the results of any examination other than a final examination on passing which a student is entitled to a degree.
- 60.** A student whose application has been accepted for admission to an examination, after being duly processed and provided he/she is eligible, shall be given Admit Card containing the name of the candidate, the Examination Roll Number assigned to him and registration number.
- 61.** The Admit Card shall be prepared by the Controller of Examinations over the signature of the Controller of Examinations and will be issued, by such staff as may be authorized by him, to do so either through offline or online mode as will be intimated.

\* Based on CGPA.

82. There will be a Semester Grade Points Average (SGPA) calculated for each semester on the basis of grades obtained in that semester. The SGPA for the  $j^{\text{th}}$  semester is calculated as:

$$SGPA_j = \frac{\sum_{i=1}^n m_i C_i}{\sum_{i=1}^n C_i}$$

Where n is the number of courses in the  $j^{\text{th}}$  semester,  $m_i$  denotes the numerical value of the grade obtained in the  $i^{\text{th}}$  course of the semester,  $c_i$  denotes the number of credit for the  $i^{\text{th}}$  course of the semester.

For example, consider the numerical grade and credit of a student given in the table below:

Course	Course I	Course II	Course III	Course IV	Course V	Course VI	Course VII
Credit	2	2	4	2	2	2	2
Numerical Grade	7.00	8.00	5.00	7.00	6.00	8.00	8.00

SGPA for the  $j^{\text{th}}$  Semester is calculated as –

$$SGPA_j = \frac{7.00 \times 2 + 8.00 \times 2 + 5.00 \times 4 + 7.00 \times 2 + 6.00 \times 2 + 8.00 \times 2 + 8.00 \times 2}{2 + 2 + 4 + 2 + 2 + 2 + 2} = \frac{108.00}{16} = 6.75$$

Cumulative Grade Point Average (CGPA) for K semesters is given as:

$$CGPA = \frac{\sum_{j=1}^k (SGPA_j * C_j)}{\sum_{j=1}^k C_j}$$

Where  $C_j$  is the total number of credits in the  $j^{\text{th}}$  Semester.

For example, consider the SGPA's obtained by a student in four semesters along with total credit in each semester is given as follows:

Semester	First	Second	Third	Fourth
SGPA	6.75	6.00	8.12	7.62
Total Credit	16	20	18	16

$$CGPA = \frac{(6.75 \times 16) + (6.00 \times 20) + (8.12 \times 18) + (7.62 \times 16)}{16 + 20 + 18 + 16} = \frac{108 + 120 + 146.16 + 121.92}{70}$$

$$CGPA = \frac{496.06}{70} = 7.08$$

83. The formula for conversion of CGPA in percentage of marks for both under graduate and post graduate programmes will be as follows:

$$\text{Final Percentage of marks (\%)} = \text{CGPA based on all semesters} \times 10$$

Conversion formula will be printed only on the Grade Certificates/Transcripts.

84. A student shall be provided with a record of total marks obtained along with grade, grade point and accumulated credits at the end of the respective Degree Programme. CGPA indicated at the end of the degree will be the basis by which the rank of the student will be determined. Separate account in the form of a credit transcript for accumulated credits may be issued annually or on completion of the programme, or both for availing of the credit transfer options.

- (3) Students who fail to obtain fifty percent (50%) marks in any course/paper in the first or second semester shall be eligible to appear for the same course/paper in the regular semester examination in subsequent corresponding semester. There will be no supplementary examination for any course.
- (4) No student shall be permitted to take any M.Phil. end semester examination more than three times.
- (5) Examination of M.Phil. Dissertation:  
The M. Phil. Dissertation shall be examined by the supervisor of the candidate, and, a subject expert, external to the University, appointed by the Controller of Examinations on the recommendation of the supervisor of the candidate concerned. The examiner shall examine the dissertation as well as examine the students in a viva-voce, in the presence of his/her Research Supervisor, or in the presence of Head of the Department concerned in case the concerned Research Supervisor is on leave/lien or in other exigencies. The examiners shall be required to submit an evaluation report in a prescribed format to the Controller of Examinations and the viva-voce examination shall be conducted only when the evaluation report recommends it.

If the evaluation report of the external examiner of the M. Phil. dissertation is unsatisfactory and does not recommend Viva-Voce, the Controller of Examination, in consultation with the Head of the Department concerned shall send the dissertation to a second external examiner and the viva-voce examination shall be held only if the report of the second examiner is satisfactory. If the report of the second examiner is also unsatisfactory, the dissertation shall be rejected and the research scholar shall be declared ineligible for the award of the M. Phil degree.

The degree of M. Phil shall be awarded to the student concerned only after the viva-voce examination and receipt of recommendation of the award of M. Phil degree by

the viva-voce examiners. The viva-voce examination shall be open. Members of the Research Advisory Committee, all faculty members of the Department, other research scholars and other interested experts/researchers, may attend the viva-voce examination. They, however, can neither ask questions nor give marks.

- (6) After the successful completion of the evaluation process and before the announcement of the award of the M. Phil. degree, the university shall submit an electronic copy of the M. Phil. dissertation to the INFLIBNET, for hosting the same so as to make it accessible to all Institutions/Colleges.

**97. Eligibility and Allocation of Research Supervisors:**

- (1) Any regular Professor of MBB University with at least five research publications in referred journals and any regular Associate/Assistant Professor of the University with a Ph.D. degree and at least two research publications in referred journals may be recognized as Research Supervisor. Only a full time regular teacher of MBB University can act as a Supervisor. The external supervisors are not allowed.
- (2) The allocation of Research Supervisor for a selected research scholar shall be decided by the Board of Studies/Departmental committee of the Department concerned depending on the number of scholars per Research Supervisor, the available specialization among the Supervisors and research interests of the scholars as indicated by them.
- (3) A Research Supervisor who is a Professor, at any given point of time, cannot guide more than three (3) M. Phil. scholars. An Associate Professor as Research Supervisor can guide up to a maximum of two (2) M. Phil. scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of one (1) M. Phil. scholar.

**98. Research Advisory Committee and its functions:**

- (1) There shall be a Research Advisory Committee for each M.Phil. scholar, with the following members:
  - a) The Research Supervisor of the scholar concerned being the convenor of this committee;
  - b) A regular teacher of the University from within or outside the department concerned, appointed by the Head of the Department in consultation with the Research Supervisor.
  - c) One external member nominated by the Dean of the Faculty concerned in consultation with the Research Supervisor.
- (2) This Committee shall have the following responsibilities:
  - a) to review the research proposal and finalize the topic of research;
  - b) to guide the research scholar to develop the study design and methodology of research;
  - c) to periodically review and assist in the progress of the research work of the research scholar.

- d) to recommend submission of M.Phil. Dissertation on the basis of pre-submission seminar and fulfilment of academic and other requirements as per Regulations 95 and 96 above.
- e) to recommend extension period for submission of M. Phil. dissertation and re-admission.
- f) In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholars fail to implement these corrective measures, the Research Advisory Committee may recommend to the concerned Faculty Council of the University with specific reasons for cancellation of the registration of the research scholar to the M.Phil. programme.

## **CHAPTER -VI**

### **PH.D. REGULATIONS, 2018**

#### **99. Provisions relating to Doctorate Degrees:**

The University will award the following Doctorate Degrees:

- i. D.Litt. in Arts; D.Sc. in Science,
- ii. Ph.D. (Arts); Ph.D. (Science);

Of the above two categories, the degree of D.Litt. and D.Sc. are to be considered as Doctorate Degrees of higher level and no supervisory guidance will be necessary. Supervisory guidance is compulsory for Ph.D. degrees in all disciplines in accordance with provisions mentioned in Regulation 103 and Regulation 104.

Ph.D. Programme shall be of a minimum duration of three (3) years including course work and maximum of six (6) years with one (1) year extension subject to Regulation 101 (5) (i) below. Female candidates and candidates having at least forty percent (40%) disability may be granted further extension beyond this limit as per Regulation 101 (5) (ii) below.

#### **100. Eligibility for Admission:**

- (1) The application for admission to the Doctor of Philosophy (Ph.D.) programme is to be made to the Registrar in the prescribed form.
- (2) A person who has obtained Master's degree of at least two-year (or 4-Semester) duration, in any discipline, with at least fifty-five percent (55%) marks in aggregate or its equivalent grade 'B' in the UGC 10-point scale (or an equivalent grade in a point scale wherever grading system is followed) from an Indian University recognised by the UGC.
- (3) A relaxation of five percent (5%) of marks, from fifty-five percent (55%) to fifty percent (50%), or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer) / Differently-abled and other categories of candidates as per the decision of the UGC/AICTE/State Government from time to time, or for those who have obtained their Master's degree prior to 19<sup>th</sup> September, 1991. The eligibility marks of fifty-five percent (55%) (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of five percent (5%) to the categories mentioned above are permissible based only of the qualifying marks without including the grace mark procedures.
- (4) A person who has obtained a Post-graduate Diploma/Degree of less than two years' duration from any University or Institution recognised by the University Grants Commission is eligible for application for admission to the Doctor of Philosophy (Ph.D.) programme provided that such candidate has completed at least a total of five years' of graduate and post-graduate study in a university or Institution recognized by the University Grants Commission.
- (5) A candidate shall submit a statement that s/he is not currently enrolled or registered for the doctorate degree in any University/ Institute and as long as he/she is registered for the Ph.D. Degree programme at this University s/he will not get registered at any other

University/ Institute if not pursuing any joint doctorate degree programme of this University.

- (6) Subject to the conditions laid down in Regulation 100 (2) (3) and (4) above, candidates who have an M.Phil. (of two-year duration), or in case of candidates who have qualified in the UGC NET/CSIR-NET/SET/GATE/GPAT/Teacher Fellow/Scientist or any other examination that may be deemed equivalent by the Doctorate Committee will have to be successful in the interview on the subject as mentioned under Regulation 100 (10) below to be conducted by the Ph.D. Research Committee of the Department concerned constituted as per Regulation 105 (5) to qualify for admission.

Provided that:

- (i) the Master's Degree or a degree deemed equivalent to the Master's degree for such a candidate is in the discipline/subject in which he/she is applying for Ph.D. Degree or in a discipline/subject deemed relevant/allied by the Doctorate Committee of the Faculty concerned;
  - (ii) such a candidate was admitted to the M. Phil. programme of the concerned Institution through a written admission test and had obtained at least fifty percent (50%) marks in aggregate in the M. Phil. course work.
- (7) Subject to the conditions laid down in Regulation 100 above, candidates possessing a Degree considered equivalent to 2- year M. Phil. Degree of an Indian Institution, from a Foreign Educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorised by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions, will have to be successful in the interview on the subject mentioned to be conducted by the Ph. D. Research Committee of the Department concerned constituted as per Regulation 105 (5) to qualify for admission. Such institutions, as mentioned above, must be recognized by the UGC/AICTE.
- (8) The Equivalence committee of the University shall examine and recommend to the relevant Doctorate Committee/ Admission Committee the equivalence of any such degree with two-year M. Phil. Degree of an Indian Institution.
- (9) In all other cases the candidate will have to appear for an admission test to be conducted by the Office of the Controller of Examinations of the University and if qualified, have to be successful in the interview on the subject to be conducted by the Ph.D. Research Committee of the Department concerned constituted as per Regulation 105 (5) (i) to qualify for admission.

The admission test procedure will be decided by the Doctorate Committee, as mentioned under Statutes 41 and 42, in accordance with the recommendations of the Ph.D. Research Committee of the Department concerned.

Following the admission procedure, a list of qualified candidates (preferably mentioning their area(s) of research interest(s)), will be published and displayed by the University.

Subject to the conditions laid down in this Regulation, an M. Phil student of MBB University with UGC-JRF/RGNF/Moulana Azad Fellowship, may be admitted to the Ph.D. programme after successful fulfilment of all the requirements of the M. Phil Degree, provided that he had obtained at least fifty percent (50%) marks in aggregate in the M. Phil course work, and his/her performance in the Ph.D. admission interview is

satisfactory in terms of the criteria set by the Ph. D. Research Committee of the Department concerned.

- (10) Each Ph. D. Research Committee shall predetermine Ph.D. scholars to be admitted depending on the number of available Research Supervisors and other academic and physical facilities available, keeping in mind the norms regarding the scholar-teacher ratio, laboratory, library and such other facilities.  
Admission test schedule shall be notified at least once in every year, well in advance in the institutional website and through advertisement in at least two (2) national newspapers, of which at least one (1) shall be in the regional language, the number of seats for admission for Ph.D. in each subject/discipline, criteria for admission, procedure for admission, examination centre(s) where entrance test(s) shall be conducted and all other relevant information.
- (11) The reservation policy of the State Government will be applicable.
- (12) The qualifying marks in the Admission Test for Ph.D. programme shall be fifty percent (50%) for general category applicants and shall be forty-five percent (45%) for reserved category candidates. The syllabus of the Admission Test, as prepared by the Department concerned and approved by the Doctorate Committee of the Faculty concerned shall consist of fifty percent (50%) of research methodology and fifty percent (50%) shall be subject specific, and shall be uploaded in its website by the University well in advance of the Admission Test.
- (13) In the interview/viva-voce, a candidate shall be required to discuss his/her research interest/area through a presentation before the Ph.D. Research Committee of the Department constituted as per Regulation 105 (5)(i).  
The interview/viva-voce shall also consider the following aspects, viz. whether:  
(i) the candidate possesses the competence for the proposed research;  
(ii) the research work can be suitably undertaken at the Department/School concerned;  
(iii) the proposed area of research can contribute to new/additional knowledge.

#### **101. Procedure for Registration:**

- (1) The Doctorate Committee of the Faculty concerned shall process the application of the qualified candidates. If the Doctorate Committee accepts the candidate for registration on the recommendation of the Ph.D. Research Committee of the Department concerned, then s/he shall have to register her/his name or get admitted to the Ph.D. programme on or within the date specified by the Doctorate Committee, by paying a registration fee plus such other fees duly determined by the University, failing of which the offer of admission/registration shall be cancelled.

The scheme of the work and title of thesis shall have to be registered by the student/scholar within two years from the date of registration to the Ph.D. programme or within one year from the date of successful completion of the course-work, whichever is applicable. However, the title of research work/thesis of a student may be registered on the recommendation of the Ph.D. Research Committee of the Department concerned before the successful completion of the Ph. D. course-work in cases where he/she has been awarded with a Fellowship by UGC/CSIR or any such funding agency, the commencement of which requires the registration of the title of his/her research work. Notwithstanding any such requirements, continuation of Ph.D. research work and validity of registrations shall be subject to conditions laid down under paragraph (5) of this Regulation.

- (2) Registration for Ph.D. Degree shall be granted to a candidate provided that the Ph.D. Committee is satisfied that:
- (i) the candidate satisfies the requirements for eligibility as laid down in Regulation 100;
  - (ii) it shall be possible for the candidate to maintain regular contact with his/her supervisor throughout the entire period of his/her work; and,
  - (iii) the experimental part, if any, of the work can be carried out at this University or in other recognised University or Institution or Research Organisation or Industry where adequate facilities for carrying out such work exist.
  - (iv) There is evidence that teacher qualified is willing to act as supervisor for the candidate.
- (3) In case of failure to register within the prescribed time, the application shall be deemed to have been cancelled unless granted permission by the Registrar on the basis of written application by the candidate and recommendation of the Ph.D. Research Committee/ Admission Committee of the Faculty concerned.
- (4) On payment of the registration fee, the candidate's name and other particulars will be included in the register maintained by the Office of the Registrar.

The date of payment of Registration fee, or the first instalment as may be permitted by the University, shall be taken as the date of Registration to the Ph.D. programme.

The Registration Certificate shall be issued to a candidate by the Registrar only after full payment of the Registration fee by the candidate.

- (5) (i) Registration shall remain valid for six (6) years from the date of registration, provided that the candidate successfully completes the Ph.D. course work as stipulated under Regulation 103 and Regulation 104 below, he/she maintains regular contact with his/her Supervisor throughout the entire period of his/her work, his/her research progress is found to be satisfactory by the Research Advisory Committee of the candidate concerned and has paid registration fee and other fees applicable in full within eighteen (18) months from her/his date of registration as defined under 101 (2) and (4).

Subject to fulfilment of the above criteria and on the recommendations of the Research Advisory Committee of the candidate concerned regarding satisfactory progress in his/her research work, the relevant Doctorate Committee may extend the period of registration beyond six years provided that such extension shall not exceed one year.

- (ii) For a female candidate, the period of valid registration shall be six years subject to fulfilment of the above requirements, with maximum of two (2) extensions of one-year each, as permitted by the Doctorate Committee on the recommendations of the Research Advisory Committee of the candidate concerned regarding satisfactory progress in her research work, excluding the period of maternity leave granted to her once in the entire duration of Ph.D. for up to two hundred and forty (240 days) and Child Care Leave as per State Government Rules.

For a candidate with at least forty percent (40%) disability, the period of valid registration shall be six years subject to fulfilment of the above requirements, with

maximum of three (3) extensions of one-year each, as permitted by the Doctorate Committee on the recommendations of the concerned Research Advisory Committee of the candidate concerned regarding satisfactory progress in his/her research work.

- (6) The candidate may apply to the Registrar for cancellation of registration stating reasons, and such application, preferably forwarded by the Supervisor(s) must be placed and recorded at the meeting of the Ph.D. Committee. If approved, the candidate's registration will be cancelled.
- (7) Registration of a student/scholar may also be cancelled by the University if the candidate does not fulfil the above criteria mentioned in paragraph 5 above. In such cases, the Research Advisory Committee of the candidate concerned may recommend to the Registrar for cancellation of his/her registration. The recommendation of the concerned Research Advisory Committee shall be placed at the meeting of the Ph.D. Research Committee and the candidate will be notified in writing the provisional decision taken by the Ph.D. Research Committee. Final decision will be taken by the Doctorate Committee after obtaining the reply within a stipulated period of time.

The Research Advisory Committee of the student/scholar concerned may also recommend cancellation of his/her registration if he/she fails to present his/her progress of ongoing research work in seminars in due time for two or more consecutive occasions.

#### **102. Privileges and obligations of registered candidates:**

- (1) A registered student/scholar shall work under the guidance of a Supervisor appointed by the Doctorate Committee on the recommendation of the Ph.D. Research Committee of the Department concerned.
- (2) A registered candidate shall abide by such regulations as may be prescribed by the Doctorate Committee from time to time.
- (3) If the registered student/scholar does not have an M. Phil. (of two-year duration) with at least fifty percent (50%) marks in the course-work examinations in aggregate or equivalent degree but qualifies under Regulation 100 (6) (ii) then he/she will have to satisfactorily complete Ph.D. course-work comprising at least two courses and a maximum of four courses of 4-credits each. Such courses, of which one course shall be on Research Methodology of at least 4 credits, shall be prescribed by the Department where he/she pursues his/her research on the recommendations of the Research Advisory Committee, as stipulated under Regulation 105 (6) (ii), and shall be of one semester duration.

These courses must be taken within initial one or two semesters from the date of registration and must be successfully completed with at least fifty-five percent (55%) of marks in aggregate or its equivalent grade in the UGC 10-point scale (or an equivalent grade/CGPA in a point scale) and in order to be eligible to continue in the Ph.D. programme and submit the dissertation/thesis.

A registered student/scholar already holding an M. Phil. (of two-year duration) or equivalent degree may be exempted by the Department from the Ph.D. course work, provided:

- (i) a one-semester course on Research Methodology of at least four-credit was taught in the M.Phil. course work and all the courses were successfully completed by him/her with at least fifty-five percent (55%) marks in aggregate or its equivalent grade in the UGC 10-point scale (or an equivalent grade/CGPA in a point scale wherever grading system is followed);
- (ii) M. Phil. (of two-year duration) or equivalent degree is in the subject/discipline deemed relevant/allied by the Ph.D. Research Committee of the Department concerned and approved by the Doctorate Committee concerned.

### **103. Number of Courses and Credit Requirement:**

- (1) Each course shall be of four-credit, one of which shall be on Research Methodology. The total number of courses to be taken and the credit requirement for Ph.D. course-work in each discipline/subject shall be determined by the Doctorate Committee of the respective Faculty on the recommendation of the Ph.D. Research Committee of the Department concerned, but the total credit for Ph.D. course-work shall not be less than eight (8) credits and shall not exceed sixteen (16) credits. **110. Examination of thesis:**

- (1) The Doctorate Committee shall approve names of six persons, at least three of whom must be from outside the State of Tripura or from abroad, who are well known authorities on the subject for appointment as examiners of a thesis by considering the list submitted by the Supervisor. Such examiners shall neither be teachers of this University nor be persons who are supervising candidates for the Ph. D. Degree registered at this University.
- (2) The Board of Examiners will consist of the following:
- (i) Supervisor(s) under whose guidance the candidate has worked.
  - (ii) Two external experts to be appointed from the panel of six experts as approved by the Doctorate Committee of the faculty concerned as laid down in paragraph 1 of this Regulation.

One of the experts must be either from outside the State of Tripura or from abroad.

The experts would be nominated by the Vice-Chancellor from the list of experts recommended by the Doctorate Committee as mentioned in paragraph 1 of this Regulation and appointed by the Syndicate.

- (3) All Examiners, including External Examiners, will be requested to state their opinion in the prescribed form that has the following options:
- “(a) The candidate may be awarded the Ph. D. Degree of the University.
  - (b) The candidate may be awarded the Ph. D. Degree of the University provided that the following modifications are addressed in a separate addendum. The Examiners present at the viva voce must certify that the modifications are satisfactorily addressed, failing which the thesis must be resubmitted after addressing the suggested modifications.
  - (c) The candidate may be awarded the Ph. D. Degree only after addressing following questions and resubmitting the thesis.
  - (d) The candidate will not be awarded the Ph. D. Degree of this University.”
- A detailed report must also be submitted and signed by the Examiners.

- (4) A thesis which has been directed to be resubmitted by the examiners may be submitted again after due revision, modification or alternation but not earlier than three months from the date of communication of the recommendation to the candidate and a fee shall have to be paid at the time of resubmission as decided by the University. The Board of Examiners appointed under Paragraph 2 of this Regulation will examine the resubmitted thesis again. A thesis may be resubmitted only once.
- (5) If there is a difference of opinion in the recommendations of the examiners, all the reports and the thesis will be sent to a third external examiner appointed by the Doctorate Committee, who will act as special adjudicator and his/her recommendation will be considered as binding.
- (6) If both the external examiners reject the thesis it shall not be further processed for award of the Ph. D. Degree of this University and it will be considered as rejected.
- (7) If all the external Examiners are of the opinion that the candidate may be awarded the degree, or in case of a favourable opinion of the special adjudicator, he/she shall be asked to appear at a viva voce examination.

#### **111. Viva Voce Examination:**

- (1) There shall be an open viva voce examination for which notice should be issued fifteen (15) days before the examination and teachers of all faculties shall be invited to attend the examination. Other interested persons may also attend.

In cases of exigency, on the basis of written application by the supervisor of the Ph.D. student concerned, the Dean of the Faculty concerned may allow viva voce examination to be conducted after seven (7) days from the date of issue of notice of the same.

- (2) From the panel of external examiners as recommended by the Doctorate Committee, the Vice-Chancellor shall nominate one person who is not a teacher of this University and is a well-known authority on the subject, and the Supervisor of the candidate, as examiners for the viva voce examination. In case the Supervisor is not available Vice-Chancellor shall nominate another examiner in his/her place.

In the event of a Ph.D. candidate proceeding abroad after submission of the thesis, a competent scholar in the field abroad may be appointed as an examiner for the open viva voce as a special case with the approval of the Vice Chancellor.

- (3) The examiners at the viva voce examination may ask questions beyond the subject of the thesis in order to satisfy themselves that the candidate has adequate knowledge of the particular branch of the subject on which he/she has submitted the thesis. If there is an addendum as mentioned under Regulation 110 (3) (b), the examiners will certify that it is satisfactory.
- (4) If the examiners are not satisfied, the candidate may be directed to appear again at the viva-voce examination after six months. Such a candidate shall pay an additional fee duly determined by the University.
- (5) The degree will be awarded by this University if the examiners of the viva voce examinations are of the opinion that the candidate is a fit person to receive the degree.

#### **112. Honorarium:**

The members of the Board of Examiners shall be paid an honorarium as may be determined from time to time by the University for the examination of the thesis and the oral examination separately.

Honorarium will be paid to the examiners at the same rate as mentioned above for re-examination of the thesis.

#### **113. Registration of Candidates under Supervisors who are not teachers of MBB University:**

- (1) The Syndicate may identify research Institutions/Colleges affiliated to Maharaja Bir Bikram University from where the teachers may independently supervise candidates registered in their own Ph.D. programmes for the degree of Ph.D. of Maharaja Bir Bikram University subject to fulfilment of criteria as laid down under Regulation 105 (1) and (3) provided:
