

**Publication of a memoir on Azadi Ka Amrit Mahotsav- Inviting information of the Freedom Fighters from Tripura**

The Government of India has taken a wonderful initiative titled **Azadi Ka Amrit Mahotsav** to celebrate and commemorate 75 years of independence of the nation and the glorious history of its people. As a part of celebrating this Mahotsav the Higher Education Department of Tripura under aegis of the State Government is going to publish a memoir on **Role of Tripura in the Indian Freedom Struggle** (*by the people from Tripura and by those who took refuge in Tripura and participated in the Struggle*). It helps bring alive stories of unsung heroes whose sacrifices have made freedom a reality for us and also revisits the milestones, freedom movements etc. in the historical journey to independence. Again, this attempt to recall and remember the forgotten heroes of our freedom struggle, their ethos and principles, shall serve as a medium of inspiration and encouragement for the generations to come.

Within the given time frame the Department of Higher Education has tried to include a brief account of the life stories of the freedom fighters of the state in this memoir. But the task of tracing the descendants of those great sons of the princely state and retracing their profile is not easy at all. For that reason, despite working with great dedication and utmost perseverance we have been able to communicate with the families of only a fraction of the freedom fighters.

So, it is our earnest request to the current generation of the freedom fighters who have been recognized and aptly felicitated by the Government of India, to come forward and contact the office of the undersigned with appropriate information and testimony to enrich this publication.
